From Wikipedia, the free encyclopedia

The following table shows the annual growth in nominal GSDP for the financial years 2011–2 to 2020–21, released by Planning Commission of India, in local currency.^[1] Figures for 2014-15 are from the Ministry of Statistics and Programme Implementation.^[22] Revised data for the past years differ from the tables below. Due to the slide in INR/USD exchange rates from 2011-2013, GDSP has grown in local currency terms but often roughly flat in USD terms. INR rates have varied over the years. Figures are in crores (units of 10 million) of rupees at current prices.^[1]
